Affordable Smiles Dental Savings Plan

Custom-Fit Care for Confident Smiles (Ages 15-25)

Supporting Healthy Smiles Through the Teen & Young Adult Years

The teen and young adult years are a time of growth, independence, and big changes - including oral health needs.

From routine cleanings and exams to orthodontic care and restorative treatment, having access to affordable dental care makes all the difference. The Affordable Smiles Dental Savings Plan is designed to support teens and young adults through these important years - whether parents are managing care or young adults are beginning to make healthcare decisions on their own.

- **Exclusive to Our Practice** - This annual savings plan can only be used at either of our two convenient locations.
- **Care that fits your needs** - Preventive care, including recommended hygiene visits and exams, is included in your enrollment fee. Your plan is selected based on guidance from our dental team, with added discounts on most procedures.
- **Payment** - Membership fee is paid in full at the time of enrollment - membership fees are not eligible for financing.

Plan Cost

**\$415 per year,
per patient**
